

THE CARPENTER GROUP RECOGNIZED FOR INDUSTRY SUPPORT AND DEDICATION

(SAN DIEGO, CA) - The Carpenter Group received a Longevity Award from the Specialized Carriers & Rigging Association. SC&RA is an international organization comprised of more than 1,350 members from 46 nations.

SC&RA's Longevity Awards are presented to member companies for their longtime support and dedication to the Association and its mission. The Carpenter Group was recognized with the 25 Year Longevity Award.

The Carpenter Group strives to maintain a versatile portfolio of rigging products and services to meet and exceed our customers' ever-changing operational needs. Family-owned and operated since 1950, we value trusted industry and competitive partnerships rooted in continual improvement of product and process.

Firms across the United States and around the world submit dozens of entries to the SC&RA Awards competition each year. The Awards program recognizes worldwide excellence in the crane, rigging and specialized transportation industry.

"We are proud to continue maintaining relationships throughout the industry that improve the level of service we can provide to our customers" – Hugh Yoder, VP of Sales, The Carpenter Group.

About The Carpenter Group

We provide manufactured rigging products and hardware, competitively priced and delivered on time with zero defects at quality and service levels that are consistent with the expectations of our customers. For more information, visit www.carpenterrigging.com ***Where your safety comes first!***

About SC&RA

The Specialized Carriers & Rigging Association (SC&RA) is an international trade association of more than 1,350 members from 46 nations. Our members are involved in specialized transportation, crane and rigging operations, machinery moving and erecting, industrial maintenance, millwrighting, manufacturing, concrete pumping, and rental services. SC&RA helps members run more efficient and safer businesses by monitoring and affecting pending legislation and regulatory policies at the state and national levels and researching and reporting on safety concerns and best business practices. For more information, visit scranet.org.
